

**Farm Conservation Project – Submission Form**

*please copy this form as many times as you need*

By completing this form you are helping to show the public that farmers and landowners care deeply for our countryside. We would like to hear from you about any project that you have carried out. Remember, no project is too small.

**Your Details.** This information is used to ensure that we can validate our records and do not duplicate details. Please complete the sections below before turning over to complete your conservation project details.

*To ensure the confidentiality of your submission, this information is not stored on the web-server, nor is it displayed on the website. It will not be passed to any third party.*

**Please Supply a Photograph for each Project**

If we have supplied you with a film please help us by using up the film and taking photographs of any other farm or countryside image that may be of interest.

If you are submitting your own images, we can accept these by email or as prints that we can scan. We will return to you any prints that you send.

**Please Return to:**

Living Countryside Ltd, Antrobus House, College Street, Petersfield, Hampshire, GU31 4AD

Living Countryside Ltd is a farmer led non-profit making organisation dedicated to enhancing understanding about the role of agriculture in the countryside. We welcome your support, please contact us for more information.
